ELDER CARE CELLS

The Elder's Board has now completed the initial Care Cell Lists for our Church. It is a work in progress with names to be added and removed as needed. It may also be reworked as we have new Elder's added to the Board in the future. The purpose of these care cells is to better connect the congregation and the Elder's for more consistent spiritual care. How they will work will be more fully explained at our upcoming congregational meeting. For now, you can see which Elder you are attached to on the bulletin board with more information to come shortly 😊

HAPPY BIRTHDAY!
